## Alternative Assessment

### Middle Math Journal Answer

Traditional assessments vs. Alternative assessments  
There has been a movement from traditional assessment toward alternative assessments. Alternative assessment started being used as a means for educational reform due to the increasing awareness of the influence of testing on curriculum and instruction (Dietel, Herman, and Knuth, 1991).

assessment (AA). Then, the chapter looks at the links between AA and Students Centered Cooperative Learning (SCCL). This includes how formative assessment, in contrast to summative assessment, enhances students' role in assessment. Also, included is how SCCL offers teachers and students more opportunities to look at students' thinking processes.

### Alternative Assessment and Math ...

Alternate assessments are designed for testing students who are unable to take the regular assessment, even when testing accommodations are provided. These assessments are given to a very small number of students with significant cognitive disabilities. Alternate assessments are typically administered individually by a special education teacher.
