A bundle of books #1 (PRIMARY TARGET), #2 (PRIMARY COMMAND) and #3 (PRIMARY THREAT) in Jack Mars's Forging of Luke Stone Thriller series. This bundle offers books one, two, and three in one convenient file, with over 200,000 words of reading. In PRIMARY TARGET (Book #1), we see the forging of one of the world's toughest-and most lethal-soldiers: Luke Stone. A 29 year old veteran who has seen enough battle to last a lifetime, Luke is tapped by the Special Response Team, a secretive new FBI agency (led by his mentor Don Morris) to tackle the most high-stake terrorism operations in the world. Luke, still haunted by his wartime past and newly married to an expecting Becca, is dispatched on a mission to Iraq, with his new partner Ed Newsum, to bring in a rogue American contractor. But what begins as a routine mission mushrooms into something much, much bigger. When the President's teenage daughter, kidnapped in Europe, is ransomed by terrorists, Luke may be the only one in the world who can save her before it is too late. In PRIMARY COMMAND (Book #2), elite Delta Force veteran Luke Stone, leads the FBI's Special Response Team on a nail-biting mission to save American hostages from a nuclear submarine. But when all goes wrong, and when the President shocks the world with his reaction, it may fall on Luke's shoulders to save not only the hostages-but the world. In PRIMARY THREAT (Book #3) elite Delta Force veteran Luke Stone leads the FBI's Special Response Team as they respond to a hostage situation on an oil rig in the remote Arctic. Yet what at first seems like a simple terrorist event may, it turns out, be much more. With a Russian master plan unfolding rapidly in the Arctic, Luke may have arrived at the precipice of the next world war. And Luke Stone may just be the only man standing in its way. THE FORGING OF LUKE STONE is an un-putdownable military thriller series, a wild action ride that will leave you turning pages late into the night. It marks the long-anticipated debut of a riveting new series by #1 bestseller Jack Mars, dubbed "one of the best thriller authors" out there.

Mary Jo Putney's riveting Lost Lords series unleashes a high stakes royal plot-which may prove easier for Damian Mackenzie to handle than his own unruly desire. . . He's a bastard and a gambler and society's favorite reprobate. But to Lady Kiri Lawford he's a hero-braver than the smugglers he rescues her from, more honorable than any lord she's ever met, and far more attractive than any man has a right to be. How can she not fall in love. . .? but Damian Mackenzie has secrets that leave no room in his life for courting high-born young ladies-especially not the sister of one of his oldest friends. Yet when Kiri's quick thinking reveals a deadly threat to England's crown, Damian learns that she is nowhere near as prim and respectable as he first assumed. . .and the lady is far more alluring than any man can resist. . . Praise for Loving a Lost Lord "Intoxicating, romantic and utterly ravishing. . ." --Eloisa James "Entrancing characters and a superb plotline. . ." --Publishers Weekly, starred review "Will leave readers smiling, breathless, and anxiously awaiting the next adventure. . ." --Library Journal, starred review "Romance at its best!" --Julia Quinn

Protecting the innocent comes at a cost, and what seems to be a sleepy, quiet town is anything but. "A compelling story that touches on powerful social issues" Bookbub Reviewer NY Times & USA Today bestselling author Lorhaine Eckhart brings you the first book in a new crossover series! The social worker and the cop, an unlikely couple drawn together on a small, secluded Pacific Northwest island where nothing is as it seems. Billy-Jo McCabe never expected to become a social worker, considering the broken system nearly destroyed her. Shortly after she takes a job on a remote Pacific Northwest island, she gets a call about a missing girl. Meanwhile Roche Harbor detective Mark Friessen is called in to investigate the disappearance, but instead of working with the newly appointed social worker, he ends up butting heads and clashing with her every step of the way. Billy-Jo becomes the rival he does his best to avoid, considering the only conversations they have involve her pointing out his shortcomings and arrogance. But when Billy-Jo finds herself in over her head, she's forced to team up with the man who has the uncanny ability to bring out the worst in her and together, they come up against close-mouthed locals, island secrets that hit too close to home, and the realization that their case about finding and helping a young girl has turned into something far more sinister.
