Hughes shares ancient secret Druidic techniques of divination passed down to him across five generations in an unbroken lineage of influential Welsh Druids. Hughes explains the three forms of divination used by his tradition: interpretive divination, used by readers of the Sevens (small staves with engraved sigils); inductive divination, which includes instructions for reading the wind, reading smoke, and divination using water; and intuitive divination, whose tools includes cup-stones and slate mirrors for scrying. Providing step-by-step instructions for practices in each of the three forms, he offers a wealth of divinatory techniques and explains how to access the altered states of consciousness necessary to read time backward and forward. He also explores the crafting and use of all tools and mixtures the reader will need to perform each type of divination, including botanical compounds, scrying wands, and a slate speculum vitae, the “mirror of life.” He reveals how the prime function of divination in this school of Druidic lore is to gain insight into past, present, and future events through a process of internalizing them, akin to empathy, and then interpreting them. By providing an understanding of pre-Celtic beliefs and clear instructions for Druidic practices, Hughes offers each of us the opportunity to begin our own practical experimentation and journey of discovery into the ancient art of Druidic divination.

The first English translation of Maria de Naglowska’s treatise on advanced sexual magic practices, *Le mystère de la pendaison* • Details Naglowska’s advanced occult teachings on the Third Term of the Trinity and the spiritually transformative power of sex • Explains the mystical erotic hanging rituals of *La confrérie de la Flèche d’Or* [The Brotherhood of the Golden Arrow], the notorious occult order of 1930s Paris • Continues the sexual initiatory teachings first expounded in Naglowska’s *The Light of Sex* Available for the first time in English, *Advanced Sex Magic* illuminates the revolutionary occult teachings of Maria de Naglowska--Russian mystic, esoteric high priestess, and self-styled “Satanic Woman” of 1930s Paris. Her religious system, called the Third Term of the Trinity, considered the Holy Spirit (or Wholesome Spirit) to be feminine and taught the importance of sex for the regeneration of the world and the uplifting of humanity. A complement to her *The Light of Sex*, this book on the hanging mystery initiation details her advanced teachings on the Third Term of the Trinity and the spiritually transformative power of sex and reveals the erotic ritual hanging and other sensory deprivation practices of her magical group, *La confrérie de la Flèche d’Or* [The Brotherhood of the Golden Arrow]. These advanced mystical sexual practices were required for initiation into the brotherhood, and, as Naglowska shows, only through the union of the masculine and the feminine can we bring about a reconciliation of the light and dark forces in nature.

Witchcraft for Tomorrow answers many frequently asked questions about witchcraft including: 'How can I find a witches' coven?' and 'How can I become a witch?' Doreen Valiente tells you what the old religion of witchcraft has to offer the new age of Aquarius; how the age-old Craft of the Wise can be practised in the modern world; how to initiate yourself as a witch and found your own coven. The author, who was the leading figure in the establishment of the modern Wiccan movement, includes a new *Book of Shadows* (the witches' handbook of rituals and instructions) based upon ancient magical tradition but geared to the age of the future. There are witch songs, spells, incantations and practical advice on how to run a coven and how to acquire your own collection of magical implements; as well as methods of divination and other witch lore. The author shows how the oral traditions of witchcraft throw light not only upon the origins of the present-day witch cult and the activities of the witch leader George Pickingill and his covens, but also upon the mystery of the founding of the famous magical order, the Golden Dawn. Also discussed is the relationship between the witchcraft of Britain and Europe and the magical belief of the Far East. Do both traditions hark back to the legendary city of Shamballah and to the shamanistic practices of Asia? And why do the secret circles of the witches resemble those of the Tantric sex-magic of India?

An inside look at sex magic in Eastern and Western Mystery traditions • Details the sex magic practices of P. B. Randolph, Aleister Crowley, Austin Osman Spare, Julius Evola, and Maria de Naglowska • Includes a complete overview of love magic in the Middle Ages, with accounts of the use of potions, powders, spells, and enchantments • Explores sex magic techniques of the East, including Taoist sexual alchemy Magic, almost in its entirety, is connected to sexuality. It is through the natural magic of love that sex magic operates, harnessing the forces that join lovers together. In this extensive study of sex magic in the Eastern and Western Mystery traditions, Sarane Alexandrian explains how there is a sex magic connected with every religion, spiritual belief system, and initiatory society. Exploring sexual practices in folk magic, high magic, alchemy, and religion, the author begins with a complete overview of love magic in the Middle Ages, including accounts of the use of potions, powders, spells, and enchantments, and he reveals how these techniques related to the religious practices of the time. He introduces the Taoist sexual alchemy practices of Mantak Chia, the secret tantric practices of the Tibetan bons, sexual shiatsu, and a Vietnamese practice called “mouth moxa.” Examining the sacred sexuality that arose in Western initiatory orders in the late 19th and early 20th centuries, Alexandrian details the development of P. B. Randolph’s white sexual magic and the black sexual magic of Aleister Crowley, as well as explaining the practices of Austin Osman Spare, Julius Evola and the Ur Group, and Maria de Naglowska. He reveals the scientific principles underlying sex magic and how successful results are guaranteed by the influences of the heavenly bodies and the radiant powers of color, number, scents, and physical movements, which intensify the activity of the human bioelectric field. Alexandrian also details the tantra practices of Margot Anand, the sexual rituals of Wicca, and magical “sex aids,” including talismans and jewels. Providing complete practical information, the author explains how, through sex magic, a couple can extract from each other what they are missing by way of virility and femininity, multiplying their energies tenfold and merging the carnal and spiritual worlds to experience transcendent adventures in the deepest depths of reality.
