Crash is the second book in the Immortal Chronicles series. In this book our characters are out to save their friend Addie from her demonic father Cole. Addie and Xander are fabulous characters. This story has friendship, torture, and heartache which makes for great reading. I look forward to book three.

This book is a set of novellas about an immortal man, in a world without magic (as far as he knows). He's seen too much, remembers too much, and drinks too much. It collects five of the stories into one volume: Immortal at Sea (volume one)
