1637 Words7 Pages. The contemporary art world is including and exposing more female artists who are promoting themselves creatively and pushing for equality through art. This essay will examine the increase of feminist art visibility and the way in which the audience views work through female perspectives; how art is defined through alternative and non-traditional media, and how fine art has created platforms and spaces for discussion and widens views of feminism within feminist groups and ...

edge feminist art and theory whose goal is to fight against the social reality of sexual discrimination in China. Xinmo ' s work is based on her own personal experience and usually takes the form of body performance, where the artist ' s body becomes the centre of different ritualistic actions.

Art & Feminism: 10 Contemporary Artists to Know

One of the great iconic works of this phase of feminist art is Judy Chicago ' s *The Dinner Party*, 1974 – 9. Later feminist artists rejected this approach and attempted to reveal the origins of our ideas of femininity and womanhood. They pursued the idea of femininity as a masquerade – a set of poses adopted by women to conform to social expectations of womanhood.

Feminist art – Art Term | Tate

Feminist Art and Diversity . By asking whether a male experience was universal, Feminist Art paved the way for questioning exclusively white and exclusively heterosexual experience as well. Feminist Art also sought to rediscover artists. Frida Kahlo had been active in Modern Art but left out of the defining history of Modernism. Despite being an artist herself, Lee Krasner, wife of Jackson Pollock, was seen as Pollock ' s support until she was rediscovered.

In its most basic sense, feminist art is the art made by artists created consciously in light of developments in feminist art theory in the early 1970s. Sparked by art historian Linda Nochlin ' s...

The Feminist Artists Whose Work ... - Google Arts & Culture

Art has always been a medium for the spirit. Artists channel their emotions, dark and light, into their creations. It has also been a medium for political discussions. Art is a type of peaceful political activism that transcends language, and modern feminist art is no different. The feminist art movement has created some of the most influential and emotional pieces in recent years.
