[REQUEST] Financial Management, Principles and Practice ... This article explores the nature and impact of New Zealand's financial management reforms introduced by the fourth Labour Government (1984-90). These reforms, which were given legislative backing via the Public Finance Act 1989, are of interest not merely because of their scope and scale, but because of some of the concepts and principles which have

Financial Management. This text provides the theory you need with the practice you want. With its exciting integration of the Harley-Davidson company theme, this text continues to provide a solid, enduring foundation of the tools of modern theory in practice while at the same time developing the logic behind their use.
