The existence of the "Southern Question" in Italy according to Schneider (1998) emerged in after 1861, which was the year of the Unification of the Italian Kingdom. The works bring to the fore images of the Mezzogiorno's backwardness in comparison to the rest of the country and in particular, the northern. The powerful images evolved by the phrase are a representation of the difference that are there, differences which are related to poverty and underdevelopment of the southern part of ...

Southern Italy - Wikipedia

Italy's questione meridionale (Southern Question), orientalism in one country, fatalism, Italian film music, topic theory Abstract. This article explores film music's role in shaping the discourse of Italy's questione meridionale (Southern Question) during the long 1960s. Part of its main argument is that music, working as a subliminal agent in film dramaturgies, impacted the perception of the Italian south on an affective, non-verbal level.
