The same is true of his autobiography. While I would agree with previous posters that this isn't a terribly linear narrative (autobiographies seldom are), it does make you feel as if you are sitting down in a pub with Carl, having a few drinks with Carl Hester is one of my favorite equestrians to watch, not only because of his riding but also because of his entertaining and accessible way of ...

Carl Hester is one of the greatest ever equestrians, leading Great Britain to Gold Medal victory at the London 2012 Olympics. In these vibrant memoirs, he tells the incredible story of the passion for horse-riding which revolutionised his life and made him the champion he is today. Carl grew up on the remote Channel Island of Sark, moving to the UK mainland at the age of 16 to work with horses ...

What also makes an impression is the realization that his was not a seamless, effortless rise to the top, but took resilience, flexibility, and that incredible sense of humor and people skills. And for dressage riders, the book is a good reminder that the journey is meant to be fun and filled with friendships.
