A new guide designed to ensure confident prescribing in specialist areas. The need for this text stems from the necessity to develop non-medical prescribing in practice. It offers a resource for all non-medical prescribers including nurses, pharmacists, optometrists, physiotherapists and other healthcare professionals who desire to become supplementary or independent prescribers in their field. The book is divided into two comprehensive sections and provides an overview of non-medical prescribing by healthcare professionals other than doctors.

Written by world renowned researchers and clinicians in the field, Management of Neck Pain Disorders provides a comprehensive insight into the nature of neck pain disorders within a biopsychosocial context to inform clinical reasoning in the management of persons with neck pain. Emphasising a patient centred approach, this book practically applies knowledge from research to inform patient assessment and management. It also provides practical information and illustrations to assist clinicians to develop treatment programs with and for their patients with neck pain. Current issues and debates in the field of neck pain disorders Research informing best practice assessment and management Biological, psychological and social features which need to be considered when assessing and developing a management program with the patient A multimodal conservative management approach, which addresses the presenting episode of pain as well as rehabilitation strategies towards prevention of recurrent episodes

In The By-Your-Side Cancer Guide, award-winning oncology nurse and cancer survivor, Deborah Gomer, walks you through diagnosis, treatment, and beyond with honesty and understanding. She provides the tools you need to find your inner strength and navigate your journey.

An analysis of 1000 Sino-Japanese characters.

A catalogue of postmarks used on mail posted at congresses, exhibitions, shows etc, and for anniversaries from 2004-2013.

THIS BOOK IS OUT FOR REPAIRS, 2/02/09. This book is organised into five chapters. First of all, the arrival of European settlers, their impact on the aboriginal tribes of the area, and the general pattern of growth in the first half of the nineteenth century. In the next two chapters contrasting environments for growing up in nineteenth century Illawarra, looking closely at family life and schooling in the rural settlement of mid to late nineteenth century Kiama and the mining village of Bulli. The third chapter considers the slow transformation of the region into the industrial heartland of New South Wales and the consequences that this had in many ways for children growing up in the period from the turn of the century to the beginning of the second World War. Finally examining some of the multiplicity of changes that have overwhelmed the region since 1945.
