The Terrifying Story of the Most Monstrous Serial Killers through History. Serial Killers are the most notorious and disturbing of all criminals, representing the very darkest side of humanity. Yet they endlessly fascinate and continue to capture the public's attention with their strange charisma and deadly deeds. From Jack the Ripper to Ted Bundy and the Moors Murderers Ian Brady and Myra Hindley, these killers transfix us with their ability to commit utterly savage acts of cruelty and depravity. Only with modern police detection methods and psychological profiling, have these figures that have existed throughout human history finally been identified in the deadliest category: serial killers. These methods, the killers' characters and their crimes are described here in fascinating and terrifyingly gripping detail. The whole history of serial killers is brought to life in 50 chapters, including: Herman Webster Mudgett, Devil in the White City John Christie, 10 Rillington Place murders Zodiac Killer Ian Brady and Myra Hindley, The Moors Murderers Ted Bundy Fred and Rosemary West Jeffrey Dahmer Aileen Wuornos Harold Shipman, Dr Death

enjoyed considerable success as a format, selling millions of copies. The Killer Book series brings this format to the rabid true crime audience. Including more than 40 black & white photos, this is a must for true crime fans.

Robert Graysmith reveals the true identity of Zodiac—America's most elusive serial killer. Between December 1968 and October 1969 a hooded serial killer called Zodiac terrorized San Francisco. Claiming responsibility for thirty-seven murders, he manipulated the media with warnings, dares, and bizarre cryptograms that baffled FBI code-breakers. Then as suddenly as the murders began, Zodiac disappeared into the Bay Area fog. After painstaking investigation and more than thirty years of research, Robert Graysmith finally exposes Zodiac's true identity. With overwhelming evidence he reveals the twisted private life that led to the crimes, and provides startling theories as to why they stopped. America's greatest unsolved mystery has finally been solved. INCLUDES PHOTOS AND A COMPLETE REPRODUCTION OF ZODIAC'S LETTERS

A "terrific, harrowing, true-crime account of an elusive serial killer who preyed upon gay men in the 1990s." -The New York Times (Editor's Pick) "In this astonishing and powerful work of nonfiction, Green meticulously reports on a series of baffling and brutal crimes targeting gay men. It is an investigation filled with twists and turns, but this is much more than a compelling true crime story. Green has shed light on those whose lives for too long have been forgotten, and rescued an important part of American history."

David Grann, #1 New York Times bestselling author of Killers of the Flower Moon The gripping true story, told here for the first time, of the Last Call Killer and the gay community of New York City that he preyed upon. The Townhouse Bar, midtown, July 1992: The piano player seems to know every song ever written, the crowd belts out the lyrics to their favorites, and a man standing nearby is drinking a Scotch and water. The man strikes the piano player as forgettable. He looks bland and inconspicuous. Not at all what you think a serial killer looks like. But that's what he is, and tonight, he has his sights set on a gray haired man. He will not be his first victim. Nor will he be his last. The Last Call Killer preyed upon gay men in New York in the '80s and '90s and had all the hallmarks of the most notorious serial killers. Yet because of the sexuality of his victims, the skyhigh murder rates, and the AIDS epidemic, his murders have been almost entirely forgotten. This gripping true-crime narrative tells the story of the Last Call Killer and the decades-long chase to find him. And at the same time, it paints a portrait of his victims and a vibrant community navigating threat and resilience.

Serial Killer Fanatics - A very unique coloring book has arrived. You have never seen Jeffrey Dahmer, Robert Berdella or Ted Bundy like this. Who said coloring books were exclusively for children? There are monsters hiding in the darkness, and yet for some reason, our curiosity and fascination can't help but attract us to them - our minds wishing to discover their philosophies and our interest growing as we learn more of them. For many of these murderers, death became more than just a crime: it became an

Post "25 Best Beach Reads of 2019 You Need to Pre-Order Now" A Bustle "The Best New True Crime Books You Can Read Right Now" "Maureen Callahan's deft reporting and stylish writing have created one of the all-time-great serial-killer books: sensitive, chilling, and completely impossible to put down." --Ada Calhoun, author of *St. Marks Is Dead* Ted Bundy. John Wayne Gacy. Jeffrey Dahmer. The names of notorious serial killers are usually well-known; they echo in the news and in public consciousness. But most people have never heard of Israel Keyes, one of the most ambitious and terrifying serial killers in modern history. The FBI considered his behavior unprecedented. Described by a prosecutor as "a force of pure evil," Keyes was a predator who struck all over the United States. He buried "kill kits"--cash, weapons, and body-disposal tools--in remote locations across the country. Over the course of fourteen years, Keyes would fly to a city, rent a car, and drive thousands of miles in order to use his kits. He would break into a stranger's house, abduct his victims in broad daylight, and kill and dispose of them in mere hours. And then he would return home to Alaska, resuming life as a quiet, reliable construction worker devoted to his only daughter. When journalist Maureen Callahan first heard about Israel Keyes in 2012, she was captivated by how a killer of this magnitude could go undetected by law enforcement for over a decade. And so began a project that consumed her for the next several years--uncovering the true story behind how the FBI ultimately caught Israel Keyes, and trying to understand what it means for a killer like Keyes to exist. A killer who left a path of monstrous, randomly committed crimes in his

Read Online Serial Killers Shocking Gripping True Crime Stories Of The Most

wake--many of which remain unsolved to this day. American Predator is the ambitious culmination of years of interviews with key figures in law enforcement and in Keyes's life, and research uncovered from classified FBI files. Callahan takes us on a journey into the chilling, nightmarish mind of a relentless killer, and to the limitations of traditional law enforcement.

In this fascinating and informative new book, Professor David Wilson tells the stories of Britain's serial killers from Jack the Ripper to the extraordinary Suffolk Murders case. David Wilson has worked as a Prison Governor and as a profiler, and has been described as the UK's leading expert on serial killers. His work has led him to meet several of the UK's deadliest killers, and build up fascinating insights into what makes a serial killer - and who they are most likely to target. A vivid narrative history and a timely call for prison and social reform, Professor Wilson's new book is a powerful and gripping investigation of Britain's serial murderers.

An account of a series of savage sex murders and mutilations that rocked Chicago during the early 1980s describes the shocking murders and the young man, Robin Gecht, and his male followers who were tried and convicted for the monstrous crimes. Original.

This gripping book gives you an inside look into 13 of the most frightening serial killer stories of the 1980s. Learning about the lives of these 13 serial killers - along with the lives they took - is a rollercoaster of

Read Online Serial Killers Shocking Gripping True Crime Stories Of The Most

emotions. It's scary, shocking, heartbreaking and enraging all at the same time. This book will leave you feeling almost too scared to leave your house and stunned at how one human could do these things to another. You'll feel sorrow for the lives lost - for their families and all those affected, yet angry at the same time. Angry at this world we live in, angry that anyone could get away with the murder of one and then go on to kill more. Many of these tales you almost see coming - the killer had a poor childhood and was simply dealt a rough hand in life, which leads to the question - what could have been done? Is there something that could have saved these people from becoming serial killers? Or is it ever possible to save someone from themselves?
