Table of Contents: Stitching Identities in a Free Trade Zone

Stitching Identities in a Free Trade Zone captures the spirit with which women confront power and violence through everyday poetics and politics, exploring how female workers construct themselves as different while investigating this difference as the space where deep anxieties and ambivalences over notions of nation, modernity, and globalization get played out.

Stitching Identities in a Free Trade Zone: Gender and ...

By analyzing how Sri Lankan free trade zone factory workers claim political subjectivity and revealing a vibrant subaltern political universe where they can express alternative perspectives, *Stitching Identities in a Free Trade Zone* challenges conventional notions about marginalized women at the bottom of the global economy.
