Book Summary. Seven days after his mother dies in a sudden, senseless accident, seventeen-year-old Will embarks on a search for meaning that leads him to the great philosophers--Plato, Seneca, Kierkegaard, Nietzsche--and to Taryn, the beautiful girl he meets at his mother's wake. Will is desperate to find, however he can, something authentic, something ultimate, something so true he would live or die for it.

The Beginner's Guide to Decorating Living Rooms

Reading The Beginner's Guide to Natural Living - and this website - will help you understand the basic principles of "natural living," a catch-all phrase used to indicate a lifestyle approach to health based on how our bodies operate, not on which drugs can alleviate symptoms of larger underlying problems. I place a strong emphasis on how to eat a healthy diet based on whole, organic food, and I provide my personal healthy recipes, because your health is absolutely determined by what you eat.
