It was illegal to translate the Bible into local languages. John Wycliffe was an Oxford professor who believed that the teachings of the Bible were more important than the earthly clergy and the Pope. Wycliffe translated the Bible into English, as he believed that everyone should be able to understand it directly.

With Starting a Limited Liability Company you ' ll learn how an LLC can work for you and exactly what you need to do to set up and operate one. The updated second edition features completely revised and updated planning strategies, and new chapters on the one-member liability company, estate planning, home businesses, and more. You ' ll also find: Expert guidance on applying LLCs to operating a business, estate planning, protecting assets, real estate acquisitions, professional practices, avoiding ancillary probate, and venture capital operations Plans and strategies for converting partnerships into LLCs and combining LLCs and trust planning A detailed glossary, along with checklists and loads of sample legal forms that simplify the process

This groundbreaking book breaks with established canons and resists some of the stereotypes of feminist biblical studies. It features a wide range of contributors who showcase new methodological and theoretical movements such as feminist materialisms, intersectionality, postidentitarian "nomadic" politics, gender archaeology, and lived religion, and theories of the human and the posthuman. The Bible and Feminism: Remapping the Field engages a range of social and political issues, including migration and xenophobia, divorce and family law, abortion, "pinkwashing," the neoliberal university, the second amendment, AIDS and sexual trafficking, and the politics of "the veil." Foundational figures in feminist biblical studies work alongside new voices and contributors from a multitude of disciplines in conversations with the Bible that go well beyond the expected canon-within-the-canon assumed to be of interest to feminist biblical scholars. Moving beyond the limits of a text-orientated model of reading, this collection looks at how biblical texts were actualized in the lives of religious revolutionaries, such as Joanna Southcott or Sor Juana Ines de la Cruz. It charts the politics of the Pauline veil in the self-understanding of Europe and reads the "genealogical halls" in the book of Chronicles alongside acts of commemoration and forgetting in 9/11 and Tiananmen Square.

A practical, user-friendly introduction to the co-op and condo real-estate market in New York answers important questions about finding the right building, dealing with the approval process, pets, finances, the legal process, and other important topics. Original. 15,000 first printing.

The Bible Doesn't Say That explores what the Bible meant before it was misinterpreted over the past 2,000 years. Acclaimed translator and biblical scholar Dr. Joel M. Hoffman walks the reader through dozens of mistranslations, misconceptions, and other misunderstandings about the Bible. In forty short, straightforward chapters, he covers morality, life-style, theology, and biblical imagery, including: *The Bible doesn't call homosexuality a sin, and it doesn't advocate for the one-man-one-woman model of the family that has been dubbed "biblical." *The Bible's famous "beat their swords into plowshares" is matched by the militaristic, "beat your plowshares into swords." *The often-cited New Testament quotation "God so loved the world" is a mistranslation, as are the titles "Son of Man" and "Son of God." *The Ten Commandments don't prohibit killing or coveting. What does the Bible say about violence? About the Rapture? About keeping kosher? About marriage and divorce? Hoffman provides answers to all of these and more, succinctly explaining how so many pivotal biblical answers came to be misunderstood.

WHAT THIS BOOK IS ABOUT AND WHY IT IS IMPORTANT This is the book the Banksters DO NOT want you to read! G. Malcolm Doney, Author The title of this Book conveys a great deal of what this subject is about. It is the Bankster Busters ' Bible and carries the sub-title How to Fight the Banks and Win, which was the title of the first on-line publication by this author in 2009. So what exactly is a Bankster? Well it sounds a lot like Gangster and the icon on the book ' s cover is meant to convey that meaning. This title was bestowed upon the Banking industry during The Great Depression following the 1929 Stock Market Crash and in the opinion of the author no title was more justly deserved. Since those terrible days deliberately orchestrated by Banksters, those interrelated industries that control our entire financial system have become even more skilled at the manipulation of the apparent value of fiat money and real assets to its advantage, all behind a mask of respectability, but to the considerable disadvantage of the American people and the rest of the world ' s population. In 1914 the Banking industry pulled its biggest confidence trick ever when it persuaded the American Congress and its then President to create the Federal Reserve — a private

bank — and to delegate to the owners and controllers of that private bank the power to create and control the country ' s legal tender — the US Dollar. Once that scam was securely established as part of the system and the people got used to it, the powers of the Feds as they became known, were stealthily increased until most citizens in the United States, now mistakenly believe that it is a government department whose function is to control the economy by ironing out the excess highs and lows of natural market forces. The truth is that it actually deliberately creates those excesses in order to subject Americans to the cruelest tax of all time, that of the hidden costs of the manipulation of the Dollar and other world currencies. Examples of how this has worked to the disadvantage of Americans are the many stock market debacles and the manipulation of foreign currencies to force devaluations.

The ESV Study Bible was created to help people understand the Bible in a deeper way. Combining the best and most recent evangelical Christian scholarship with the highly regarded ESV text, it is the most comprehensive study Bible ever published. The ESV Study Bible features more than 2,750 pages of extensive, accessible Bible resources, including completely new notes, full-color maps, illustrations, charts, timelines, and articles created by an outstanding team of 93 evangelical Christian scholars and teachers. In addition to the 757,000 words of the ESV Bible itself, the notes and resources of the ESV Study Bible comprise an additional 1.1 million words of insightful explanation and teaching-equivalent to a 20-volume Bible resource library all contained in one volume. (Please note this edition does not come with free access to the Online ESV Study Bible resources.)

A sweeping, five-decade history of the evangelical movement in southern California that explains an epochal realignment of American politics. From Bible Belt to Sun Belt tells the dramatic and largely unknown story of “ plain-folk ” religious migrants: hardworking men and women from Oklahoma, Texas, and Arkansas who fled the Depression and came to California for military jobs during World War II. Investigating this fiercely pious community at a grassroots level, Darren Dochuk uses the stories of religious leaders, including Billy Graham, as well as many colorful, lesser-known figures to explain how evangelicals organized a powerful political machine. This machine made its mark with Barry Goldwater, inspired Richard Nixon ' s “ Southern Solution, ” and achieved its greatest triumph with the victories of Ronald Reagan. Based on entirely new research, the manuscript has already won the prestigious Allan Nevins Prize from the Society of American Historians. The judges wrote, “ Dochuk offers a rich and multidimensional perspective on the origins of one of the most far-ranging developments of the second half of the twentieth century: the rise of the New Right and modern conservatism. ”
