Wikipedia*

As of 2018, ISO had published more than 22,000 standards.

Acces PDF The International

According to
ISO, ISO is not
an abbreviation.
It is a word,
derived from the
Greek isos,
meaning "equal,"
which is the
root for the
prefix iso-that
occurs in a host
of terms, such
as isometric (of
equal measure or

Acces PDF The International

dimensions) and
isonomy
(equality of
laws, or of
people before
the law). The
name ISO is used
around the world
to denote the
organization,
thus avoiding
the assortment
of abbreviations
that would

Acces PDF The International

result from the
translation . . .
