2017. Fairy tales, gripping, magical and inspiring, are master narratives. Children subconsciously recall their messages as they grow older, and are forced to cope with real injustices and contradictions in their lives. Some fairy tales are based on legends that incorporated a spiritual belief of the culture in which they originated, and were meant to emulate truth.

Marie-Louise von Franz - Wikipedia

In summary, it ' s a fairy tale whose central character has no clear motive, and a story which withholds its own meaning from us. It just exists – but it exists as a record of some lost and half-forgotten primitive need within us, as well as of that more enduring and familiar need: the need to weave stories, to spin the gold of great narrative.
