Michael Joseph Jackson was born in Gary, Indiana, near Chicago, on August 29, 1958. He was the eighth of ten children in the Jackson family, a working-class African-American family living in a two-bedroom house on Jackson Street. His mother, Katherine Esther Jackson (née Scrusse), played clarinet and piano, had aspired to be a country-and-western performer, and worked part-time at Sears.

Michael Jackson - Wikipedia

Michael Jackson, in full Michael Joseph Jackson or Michael Joe Jackson (see Researcher ' s Note), (born August 29, 1958, Gary, Indiana, U.S.—died June 25, 2009, Los Angeles, California), American singer, songwriter, and dancer who was the most popular entertainer in the world in the early and mid-1980s.

Dangerous is the eighth studio album by American singer Michael Jackson. It was released by Epic Records on November 26, 1991. Co-produced by Jackson, Bill Bottrell, Teddy Riley, and Bruce Swedien, the album was Jackson's first since Forever, Michael (1975) to not be produced by longtime collaborator Quincy Jones. Featured appearances include Heavy D, Princess Stéphanie of Monaco, Slash and ...

Born in Gary, Indiana, on August 29, 1958, Michael Jackson was definitely not a regular kid. A superstar with The Jackson 5 before he was eight years old, he became the King of Pop as a solo artist. Michael was a creative--yet deeply troubled--genius who always remained devoted to his art right up until his death is 2009 before a much anticipated tour. He had a pitch-perfect voice and footwork that his idol Fred Astaire admired. Who will ever forget the Moonwalk? Kids today who only know Jackson through video performances are

nevertheless fascinated by him. Megan Stine provides a sensitive, fair-minded depiction of this unique music legend.

Michael Jackson's only autobiography, illustrated with rare photographs from Jackson family albums and Michael's personal photographic archives, as well as a drawing done by Michael exclusively for this book.

A veteran music reporter offers a sweeping and vivid portrait of the King of Pop, from his first on-stage appearance at a local talent show in 1965, to his record-breaking album sales, Grammy awards, dance moves and years of scandal and controversy. --Publisher's description.

Originally published: Great Britain: Blink Publishing, 2015.

Funk: It's the only musical genre ever to have transformed the nation into a throbbing army of bell-bottomed, hoop-eared, rainbow-Afro'd warriors on the dance floor. Its rhythms and lyrics turned bleak urban realities inside out with distinctive, danceable, downright irresistible music. Funk hasn't received the critical attention that rock, jazz, and the blues have-until now. Colorful, intelligent, and in-your-face, Rickey Vincent's Funk celebrates the songs, the musicians, the philosophy, and the meaning of funk. The book spans from the early work of James Brown (the Godfather of Funk) through today, covering funky soul (Stevie Wonder, the Temptations), so-called "black rock" (Jimi Hendrix, Sly and the Family Stone, the Isley Brothers), jazz-funk (Miles Davis, Herbie Hancock), monster funk (Parliament, Funkadelic, Bootsy's Rubber Band), naked funk (Rick James, Gap Band), disco-funk (Chic, K.C. and the Sunshine Band), funky pop (Koolha & the Gang, Chaka Khan), P-Funk Hip Hop (Digital Underground, De La Soul), funk-sampling rap (Ice Cube, Dr. Dre), funk rock (Red Hot Chili Peppers, Primus), and more. Funk tells a vital, vibrant history-the history of a uniquely American music born out of tradition and community, filled with energy, attitude, anger, hope, and an irrepressible spirit.

The investigative biography of Michael Jackson ' s final years: " A tale of family, fame, lost childhood, and startling accusations never heard before " (ABC Nightline). When Michael Jackson died on June 25, 2009, millions of fans around the world were shocked. But the outpouring of emotion that followed his loss was bittersweet. Dogged by scandal for years and undone by financial mismanagement, Jackson had become untouchable in many quarters. Untouchable pulls back the curtain Jackson ' s public person to introduce a man who, despite his immense fame, spent his entire life utterly alone; who, in the wake of a criminal trial that left him briefly hospitalized, abandoned Neverland to wander the globe before making one final—and fatal—attempt to recover his wealth and reputation. The Jackson that emerges in these pages is both naïve and cunning, a devoted father whose parenting became an international scandal, a shrewd businessman whose failures nearly brought down a megacorporation, and an inveterate narcissist who craved a quiet, normal life. Randall Sullivan delivers never-before-reported information about Jackson ' s business dealings, his relationship with his family, and the pedophilia allegations that derailed his life and mar his legacy today, as well as the suspicious nature of his death. Based on exclusive access to Jackson ' s inner circle, Untouchable is an intimate, unflinching portrait of the man who continues to reign as the King of Pop. " A dishy Michael Jackson biography that makes the exhaustively covered King of Pop fascinating all over again. " —People

## Acces PDF Who Was Michael Jackson

In *On Michael Jackson*—an at once passionate, incisive, and bracing work of cultural analysis—Pulitzer Prize–winning critic for *The New York Times* Margo Jefferson brilliantly unravels the complexities of one of the most enigmatic figures of our time. Who is Michael Jackson and what does it mean to call him a “What Is It”? What do P. T. Barnum, Peter Pan, and Edgar Allan Poe have to do with our fascination with Jackson? How did his curious Victorian upbringing and his tenure as a child prodigy on the “chitlin’ circuit” inform his character and multiplicity of selves? How is Michael Jackson’s celebrity related to the outrageous popularity of nineteenth-century minstrelsy? What is the perverse appeal of child stars for grown-ups and what is the price of such stardom for these children and for us? What uncanniness provoked Michael Jackson to become “Alone of All His Race, Alone of All Her Sex,” while establishing himself as an undeniably great performer with neo-Gothic, dandy proclivities and a producer of visionary music videos? What do we find so unnerving about Michael Jackson’s presumed monstrosity? In short, how are we all of us implicated? In this stunning book, Margo Jefferson gives us the incontrovertible lowdown on call-him-what-you-wish; she offers a powerful reckoning with a quintessential, richly allusive signifier of American society and popular culture.

Photographer Todd Gray worked with Michael Jackson for several years before Michael requested that he become his personal photographer, a relationship that would encompass Michael's performances with the Jacksons through the release of his smash solo albums *Off the Wall* and *Thriller*. This collection of unseen, intimate, and joyful pictures of Michael taken over a span of 10 years reveal him at home, with his family and fans, in career-making live performances, and on the “Beat It” video shoot. A young black man not much older than Jackson at the time they met, Gray brings unique insights to his time with the singer, contributing stories and context to the images, presenting a rare, intimate portrait of Michael at a creative peak as he grew from a brilliantly talented young man into a pop icon.

A former public relations consultant for Michael Jackson describes the singer's life and music career.

Recounts the author's career as an award-winning recording engineer and highlights his work with Michael Jackson on his most influential albums.
