Winter turning is a very good entry in the New Wings of Fire series, and should definitely be read. The book leaves off of a huge cliffhanger from the last book, Moon Rising, and it doesn't take much for the action to start up again. One of my favorite things about the book is the characters.

Hailstorm will turn seven in a few days, so if he doesn't want an awful future, he has no choice but to take the trial. Winter's parents tell Hailstorm the win condition, so that he can kill Winter (who they hate) and get to the top without them seeming biased. However, Hailstorm can't bring himself to kill Winter, and tells him this.
